

Port Malabar Rifle & Pistol Club – 2-Gun

Pistol

Course Designer: Matt Rhoades

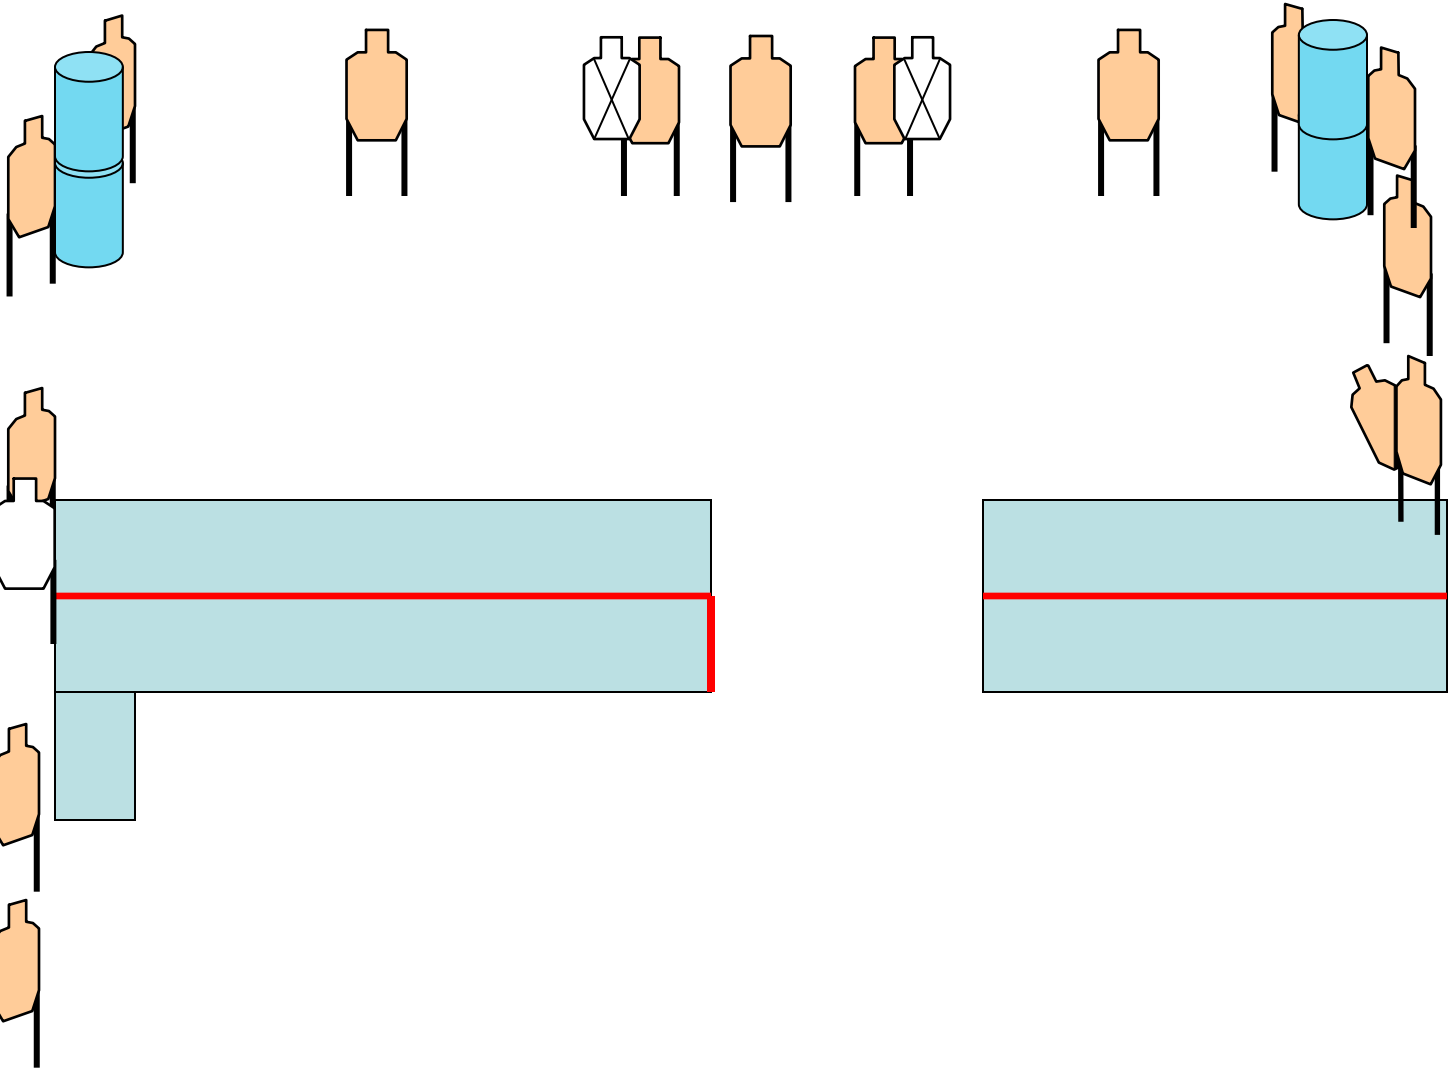

Stage Description: On signal engage first two targets and move to boardwalk / building. No targets other than first may be engaged until shooter has both feet on boardwalk wood. Enter boardwalk anywhere the shooter wants. Shots can only be made from boardwalk on either side. Shots can not be made from between boardwalks.

Notes: Setup barrels to make the shots on both corners have to be across the bay. Setup near targets on side past boardwalk so it has to be shot from the last window on both ends.
