

Port Malabar Rifle & Pistol Club – 3-Gun

Shotgun-3

Course Designer: Jon Rhoades

Stage Description: On start signal engage targets as they become available. Plate Rack Must Be shot from box in front of it. Texas Star must be shot from box in front of it. Do not go forward of boxes or forward fault line. You can shoot other targets from the boxes as desired.

Notes: It is recommended grouping rimfire shooters inside the squad together on this stage makes painting easier. Steel should be painted prior to each rimfire shooter. The scorekeeper is responsible to watch for the hits on rimfire shooters and scorekeeper decision is final. Scorekeeper does not need to call out hit or miss during the run.
